Political Action Committee (OrthoPAC)

OrthoPAC: Your Voice in Harrisburg

Access to the Pennsylvania Legislature, the Governor's Office, and state regulatory agencies is the most effective way to create positive change in orthopaedic practice.

The OrthoPAC is a bipartisan political action committee that supports candidates who demonstrate an interest in and support of issues affecting Pennsylvania's orthopaedic surgeons and their patients.

An investment in the OrthoPAC is an investment in your future. Any contribution amount is greatly appreciated.
